

[Guidelines for Extended Abstract Submission](#)

- Extended Abstract should be submitted through **GeoPapers** portal only (<http://apgindia.net.in/geopapers>).
- Author should create an Account in **GeoPapers** portal using their Email Address.
- The Email Address registered with GeoPapers Account will be used for all future correspondences.
- After creating a GeoPapers Account, Author should register their Extended Abstract using the '**New Paper**' facility by providing all the relevant details.
- After registering their Extended Abstract, Authors are required to **Upload** their Extended Abstract using the '**Upload Document**' facility. Before uploading please carefully read the '**Guidelines for Extended Abstract Upload**' provided in the portal.
- Authors are required to **Submit** their Extended Abstract in the GeoPapers portal up to submission deadline (as mentioned in the GeoPapers portal).
- Saved Extended Abstracts (*Registered and Uploaded*) will automatically be treated as Submitted after the submission deadline.
- Submission of the paper will be taken as a willingness of the authors to **transfer the copyright to Association of Petroleum Geologists, India.**
