MEDIA PARTNERS

IndiaMART InterMESH has come a long way since it was launched in 1996 using the internet as a medium of communication. Today it is recognised as one of the most successful b2b portals from India, providing Indian businesses a platform to interact with their global counterparts.

Our Service Areas

1. B2B Market Place
2. Business enhancement services like websites, catalogs and E commerce deployment
3. Mailing and communication solutions
4. Payment transaction solutions
5. IndiaMART sourcing guides

Tender Tiger was formed in March, 2006 with a goal to emerge as a global e-Procurement solution & service provider. Ours is a team of young professionals who have a combined experience of more than 100 man years of e-Procurement domain and together we have supervised e-Procurements in excess of Rs. 100,000 Million for various government and private organization across India. We offer a complete range of e-Procurement services through our website - <http://www.tendertiger.com/> and also through our various alliance partners.

Oil & Gas Technology India, is published in conjunction with the India Energy Institute, India Energy Forum and other relevant associations. We use this platform to inform the decision makers and engineers of the Indian Oil & Gas industry about which new technologies, systems and products from the West to invest in. <http://www.aeminfo.com/bh/geoindia2008/info/www.cavendishgroup.co.uk>

DEW journal published from India is an internationally circulated energy journal, which focuses on the energy and upstream and downstream activities of the oil & gas industry. In publication since 1989, the journal is appreciated by readers world over for objective journalism, latest and up-to-date coverage of the energy and petroleum industry events. The journal holds the distinction of being the only monthly energy journal published from India. DEW is circulated around the world, however its focus is in the Asian region and India. For further detail please visit our website <http://www.dewjournal.com/>.

Especially designed for employers, recruiters and jobseekers, Oil Offshore Marine represents a leading Oil & Gas recruitment center, providing career services for the Oil & Gas industry. Visit us on <http://www.oil-offshore-marine.com/>
 contact: media@oil-offshore-marine.com
